

## MassEcon – Program Supporters

MassEcon's 501c(3) Economic Development Foundation develops research to support its non-profit, municipal, and civic partners' economic and business research needs. Your support with a donation, helps the Foundation support this valuable research.

Join MassEcon as a Partner in Marketing Massachusetts! ReadyMass 100 launched more than 10 years ago and is the state's premier source of land and building sites for businesses looking to relocate or expand in Massachusetts.

MassEcon is seeking grants to support ReadyMass 100 for 12 months at \$12,000 each from two partners. Co-exclusive support benefits include:

- ReadyMass 100 web page branding, with prominent logo placement, 30-word description and website link, on each of 4 ReadyMass 100 web pages, plus complimentary site listings
- Acknowledgement as a ReadyMass 100 supporter in all MassEcon media mentions of the program and website
- Participation in virtual or live ReadyMass 100 Showcase events

## MassEcon Economic Research Program

MassEcon develops a range of research products for members, economic development non-profits, government, and other civic partners, as well as Massachusetts company re-location prospects. Our ability to produce customized research gives our partners access to quality business and economic data that they otherwise would go without.

MassEcon is seeking support for 12 months at \$5,000 each from two partners. Co-exclusive support benefits include:

- Recognition with logo as a supporter on each Business Intelligence report generated
- Acknowledgement as supporter of our business intelligence research in all MassEcon mentions in media, annual report, and on our website
