IBM Innovation Landscape Presentation

On October 5th, **IBM** partnered with ENTOVATION International to host a delegation of over 55 executives from Italy to present the innovation landscape of Massachusetts. **Joe Perry** of the IBM Innovation Center gave a presentation of IBM's 100 year history, the Smarter Planet initiative, IBM's Global Network of Innovation Centers, and the company's collaboration with VCs, entrepreneurs, and independent software vendors (ISVs). **Fred Mulligan**, Vice Chairman of **MassEcon**, served on a panel with **MassTLC** President **Tom Hopcroft** to discuss the benefits that exist for businesses doing work in Massachusetts, and the factors that create the innovation landscape in the state.

Optics, Photonics, and Advanced Instruments Industry Roundtable

On October 18th, MassEcon presented an Industry Roundtable focusing on the optics and photonics industries in Massachusetts. Featured at the discussion were **John Dexheimer**, President of LightWave Advisors, **Dennis Cope**, President of Ophir Optics, **Dennis Merrill**, Senior Director of Thermo-Fisher Scientific, and **Karen Scammell**, Global Sales Director for Axsun. The anchors discussed the state of the industry in Massachusetts, as well as the benefits and obstacles of doing business in the state. Special thanks to **Orit Goldstein** and **Ozzy Properties** for hosting the event in North Andover.

Leadership in Transition Panel

On October 20th, MassEcon co-sponsored the "Leadership in Transition" panel hosted by **Solomon McCown and Company** at Boston Properties' Atlantic Wharf. The panel featured the Presidents of The University of Massachusetts, Bentley University, Massachusetts College of Art and Design, and Mount Holyoke College, who discussed a range of topics pertaining to the goals and challenges of universities in Massachusetts. Projects

#2487:

Project Lion: MassEcon and MOBD are working with an out-of-state clean energy company that needs to lease 200,000 SF of production space. The building and site must be able to accommodate a future expansion to 500,000 SF. *Notes: Through a RFQ process, MassEcon has brought in the expertise of its members Newmark Knight Frank and Dacon Corporation to assist the team with vetting potential buildings located throughout the state.*

#2486:

MassEcon and MOBD are working with an Atlanta-based real estate firm that has a food distribution client needing 70+ acres (usable) to build a 1-million SF food distribution facility. This project could create 400+ jobs. This project represents a consolidation of multiple facilities in New England already. *Notes: Sites in Fall River, Charlton, Holliston, and Westminster have been submitted.*

* Please contact [Doug Kehlhem](#) for more information.

Staff in Action

Susan Houston spent much of October organizing the logistics and fund-raising efforts for the 8th Annual Team MA Economic Impact Awards Luncheon. Susan also attended several events during the month, including MassTLC's 14th Annual Mass Technology Leadership Awards Gala, and Solomon McCown's "Leadership in Transition" panel.

Doug Kehlhem was busy in October fielding several site location requests and visiting the Priority Development Areas (PDAs) in Central Massachusetts. Doug also showcased the Commonwealth's assets at Industry Week's Expansion Management Roundtable in Tuscon, AZ.

Sean Getchell helped organize the logistics for the Optics, Photonics, and Advanced Instruments Industry Roundtable, as well as the 8th Annual Team MA Economic Impact Awards. Sean also represented MassEcon at the IBM Innovation Center's presentation to the Italian business delegation.

Carlin Reilly was highly involved in planning and logistics of the Industry Roundtable and continues to help plan the upcoming Economic Impact Awards Luncheon in November. Carlin also helped Doug with updating the information for the Market Ready Properties on MassEcon's website.
